TRANSCRIPT OF RECORD

Re.: **Zena Riyadh Salah**

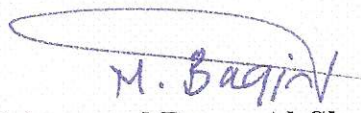

This is to certify that the above-named joined this College in September 2001 to read for M.Sc. degree in Civil Engineering. She was awarded the degree of M.Sc. in Civil Engineering (Structural Engineering) in August 2004.

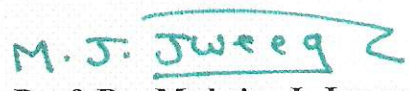

The title of her M.Sc. thesis was "**Bending Moment Influence Surfaces for Rectangular Plates Simply Supported at Three Edges and Built-In at The Fourth Edge**". Her average mark over her entire study period is 84.737 %.

No.	SUBJECT	QUARTER	UNITS	MARK
1.	Theory of Elasticity	I	3	84
2.	Numerical Methods	I	3	87
3.	Plastic Analysis of Structures	I	3	92
4.	Advanced Steel Design	I	3	67
5.	Advanced Structural Design I	I	3	74
6.	Advanced Structural Analysis	II	3	78
7.	Advanced Engineering Mathematics	II	3	83
8.	Advanced Foundation Engineering	II	3	85
9.	Dynamics of Structures	II	3	86
10.	Advanced Structural Design II	II	3	84
11.	Bridges Design	III	3	75
12.	Theory of Elastic Stability	III	3	81
13.	Theory of Plates and Shells	III	3	94
14.	Prestressed Concrete Design	III	3	86
15.	Finite Element Method	III	3	94
16.	M.Sc. Thesis	-	12	90

Remarks:

- Minimum Passing Mark is 65%. Minimum Overall Passing Average is 70%.
