TRANSCRIPT OF RECORD

Re.: **Zena Riyadh Salah**

This is to certify that the above-named joined this College in September 1998 to read for a B.Sc. degree in Civil Engineering. She was awarded the degree of B.Sc. in Civil Engineering in September 2001 and ranked the (2nd) out of (14) graduates in her class for that year.

The courses and marks taken by **Zena Riyadh Salah** are shown in the enclosed transcript. Her average mark over her entire study period is 77.358%.

First Year (1998-1999): Fall Quarter (Resit*)

No.	Subject	Units	Mark
1	Ideology	2	79
2	Mathematics I	4	73
3	English Language I	2	72
4	Computer Programming I	2	69
5	Engineering Drawing I	2	65
6	Engineering Mechanics I	5	60
7	Materials Technology	4	70
8	Physics	4	83
9	Psychology*	1	56

First Year (1998-1999): Winter Quarter (Passed)

No.	Subject	Units	Mark
1	Ideology	2	79
2	Mathematics II	4	76
3	English Language II	2	87
4	Computer Programming II	2	74
5	Engineering Drawing II	2	60
6	Engineering Mechanics II	5	60
7	Engineering Statistics	3	75
8	Sociology	1	76
9	Workshop Technology I **	-	S

First Year (1998-1999): Spring Quarter (Passed)

No.	Subject	Units	Mark
1	Ideology	2	78
2	Mathematics III	4	79
3	English Language III	2	88
4	Computer Programming III	2	69
5	Engineering Drawing III	2	65
6	Engineering Geology	3	78
7	Concrete Technology	5	81
8	Workshop Technology II**	-	S

First Year (1998-1999): Summer Quarter (Passed)

No.	Subject	Units	Mark
1	Psychology	1	89

Second Year (1999-2000): Fall Quarter (Passed)

No.	Subject	Units	Mark
1	Ideology	2	68
2	Mathematics IV	4	83
3	Mechanics of Materials I	4	73
4	Reinforced Concrete Design I	4	87
5	Soil Mechanics I	4	84
6	Fluid Mechanics I	4	69
7	Building Construction	4	86
8	Anthropology	1	84

Second Year (1999-2000): Winter Quarter (Passed)

No.	Subject	Units	Mark
1	Ideology	2	73
2	Mathematics V	4	71
3	Mechanics of Materials II	3	77
4	Reinforced Concrete Design II	4	86
5	Soil Mechanics II	4	73
6	Fluid Mechanics II	5	68
7	Surveying I	4	72
8	Logic	1	85

3	Mechanics of Materials III	4	71
4	Reinforced Concrete Design III	4	86
5	Surveying II	4	74
6	Hydrology	3	89
7	Engineering Management	2	87
8	Communication Skills	1	86

Third Year (2000-2001): Fall Quarter (Passed)

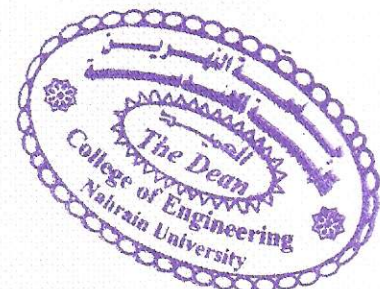

No.	Subject	Units	Mark
1	Ideology	2	87
2	Engineering Mathematics I	3	85
3	Theory of Structures I	4	66
4	Structural Design I (Structural Concrete Design)	4	73
5	Sanitary Engineering	5	80
6	Quantity Surveying	3	63
7	Philosophy	1	80
8	Project	2	93

Third Year (2000-2001): Winter Quarter (Passed)

No.	Subject	Units	Mark
1	Ideology	2	87
2	Engineering Mathematics II	3	90
3	Theory of Structures II	4	76
4	Structural Design II (Structural Concrete Design)	4	80
5	Transportation Engineering I	4	77
6	Foundation Engineering	4	71
7	Principles of Management	1	80
8	Project	2	93

Third Year (2000-2001): Spring Quarter (Passed)

No.	Subject	Units	Mark
1	Ideology	2	89
2	Theory of Structures III	4	83
3	Transportation Engineering II	4	87
4	Structural Design III (Steel Design)	4	82
5	Hydraulic Design	4	90
6	Engineering Management and Economic	4	81
7	Project	2	93

Remarks:

1- Grading System:

a. S (satisfactory).

b. Minimum Passing Mark is 60%. Minimum Overall Passing Average is 65%.

2- An asterisk – if any – indicates a subject which the student must resit in a subsequent quarter whereas the subjects which carry double asterisks are not included in the overall graduation average.

3- The unit in the quarter's system is equivalent to one hour of theoretical lectures or (2-3 hours of practical work) per week for ten weeks quarter.
